EDUCATION HISTORY

B.Tech from Computer Science

Institution: Rajiv Gandhi Proud yogiki
Vishwavidyalaya

Year of Graduation: 2020-2024 (Now pursuing 3rd year)

PROJECTS

E-Commerce Website

Project name: Quick Shopee

PROJECT DESCRIPTION

The E-commerce Website project is a dynamic and responsive web application developed using React.js, aiming to provide users with a seamless online shopping experience. This full stack application incorporates various features and functionalities to enable users to browse, search, and purchase products conveniently.

Key Features:

1. User Authentication and Authorization:

- Implement secure user registration and login functionalities.

2. Shopping Cart and Checkout:

- Enable users to add products to their shopping cart, adjust quantities, and remove items.

3. Payment Gateway Integration:

- Integrate popular payment gateways, such as PayPal or Stripe, to enable secure and seamless transactions.
